**\$899 until June 30th**

Until June 30th, consumers can take advantage of one of the best deals out there by purchasing a Primo Kamado All-in-one grill for the ridiculously low price of just \$899. Normally listing at \$1249, the Kamado All-in-one comes standard with a heavy duty low-profile cradle, side shelves, ash tool and grill lifter. Options include a grill cover, ceramic heat deflector, extended cooking racks and a digital thermometer. It has a 280 square inch cooking surface and the gasketed firebox reduces

the air reaching the meat while you grill, sealing in the juices for an amazing tasty meal!

**Save up to \$150 on a GMG**

Throughout the month of June, customers are able to purchase a new Green Mountain Pellet Grill, and save between \$100 and \$150 right at the till.

If they wish to get a Davy Crockett wifi grill, they get \$100 off the suggested retail price. Should they choose to order a Daniel Boone grill—be it a wifi, wifi with SS lid or regular DB grill, they can get \$125 off. Or if they would prefer the largest GMG grill, the Jim Bowie, they can put \$150 back into their wallet, regardless of the JB model of their choice. This program runs until June 30th.

**Q-Swiper from Proud Grill**

With more and more awareness of the dangers of metal BBQ grill brushes, it seems this would be the perfect time to introduce one of Northwest Stoves' newest products, the Q-Swiper from Proud Grill Co. The Q-Swiper is loaded with features to help make BBQ grill cleaning easier. The moist, food safe, tough-cleaning wipes will clean and absorb grease from the cooking surfaces while the powerful omni-directional cleaning

**Saber Welcome Kit Promotion—on until July 4th**

Until July 4th, consumers can get a FREE Saber Welcome Kit (retail value of up to \$315.00) with the purchase of any Saber Grill. The cost to the dealer for the kit is just \$50 for the kit, regardless of the model.

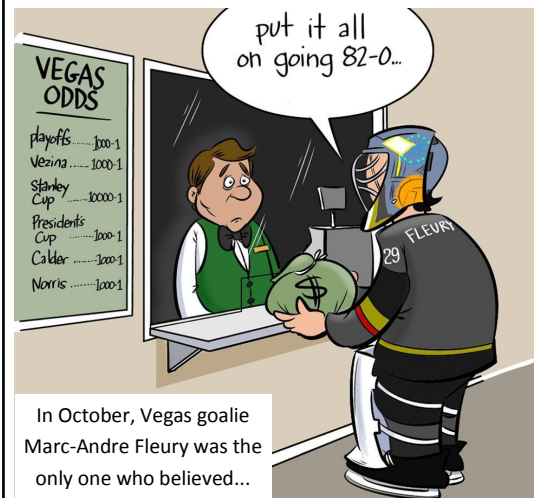

The Saber welcome kit includes a 3 piece tool kit, cool touch cleaning brush, stainless steel polish, digital thermometer and a cover. Any new purchase is able to get all of these items FREE!

As an added bonus, customers looking to get a natural gas conversion kit may get one for \$50 off the retail price. The cost to the dealer on the conversion kit is basically nothing as they will get the \$50 back at the end of the promo, minus their normal discount.

To qualify, dealers must forward the customer's invoice to Northwest Stoves showing that they gave them the FREE welcome kit and/or NG conversion kit for \$50 off. We will re-imburse you for the difference upon the conclusion of the program.

nodules help wipe away tough grill grime. The Q-Swiper is available at the low retail price of just \$19.30. The Proud Grill 1/4 skid display, which holds 24 Q-Swiper starter kits, lists for \$465. Both are available at Northwest Stoves today.
