**Northwest Stoves Employees Changing Addresses**

In an already very busy season, several Northwest Stoves employees decided to make their lives just a little busier outside the walls of the business by moving! Part of the decision with most was last year's company move from Langley to Abbotsford—10 minutes east of our previous location. Still, the undertaking by each one in the fall was a challenge, to say the least. Here is a list of people who have changed, and in some cases, are still in the process of moving: **Chris Vecchies (warehouse manager)**—from Langley to Abbotsford, **Dawne Gleadhill (accounts receivable)**—changing Abbotsford homes, **Matthew Randall (technical support)** from White Rock to Mission and **Yvonne Brownmiller (sales support)** from Langley to White Rock. Yikes!

**Thanks to everyone!!!**

To all of our dealers, manufacturers, families and partners, we truly thank you for the business you've provided for us throughout 2017, Northwest Stoves' best year ever. Without each of you providing us endless support, we wouldn't be able to provide the products and services that we pride ourselves on to the degree that we do. So with this in mind, please enjoy the time off you have with your families this December. May you all have a safe and enjoyable holiday season. Merry Christmas to all!
