

T5 INSERT LE

T5 INSERT CLASSIC LE

WOOD INSERT
for medium spaces

Heat Output Cord Wood

72,000 BTU

38,200 BTU EPA Test Fuel

Efficiency (HHV)	71.3%
Emissions	1.8 gm/hr.
Log Size (recommended)	16"
Log Size (max)	18"
Firebox Size	2.1 cu.ft.
Glass Size	196 sq.in

Transform your fireplace into an efficient heating system with traditional cast iron styling of the T5 Insert LE, or the beauty and charm of the T5 Classic Insert LE in lustrous porcelain enamel. Designed to deliver efficient combustion and controlled heat, T5 Inserts raise the burn temperature while extending the burn time, providing more heat from less fuel. Like all Pacific Energy inserts they are easy to light, easy to use, and provide a clear view of the flame. With a variable speed fans, clean-glass airwash technology and heavy-gauge overbuilt construction, the T5 Inserts LE will provide many years of comfort and enjoyment.

ALDERLEA T5 INSERT LE

ALDERLEA T5 INSERT CLASSIC LE
